We make neither guarantees nor endorsements regarding the skills or the quality of the job that the contractors may perform for you if you hire them.

FindNHContractors.com does not endorse or recommend the services of any particular contractor. It is entirely up to you to enter into a direct contract or otherwise reach agreement with a contractor, and we do not guarantee or warrant their performance on the job or the outcome or quality of the services provided.

The contractors listed with FindNHContractors.com are not all employees or agents of FindNHContractors.com, nor is FindNHContractors.com an agent of all the contractors. 2. Testimonial Policy

Homeowners who employ the services of contractors listed in the FindNHContractors.com directory are encouraged to submit testimonials and ratings of the contractors' performance. Only those who have hired a contractor can submit a testimonial and a rating for that contractor.

FindNHContractors.com makes no claim to verifying the authenticity or accuracy of any testimonial before it is published to its website. FindNHContractors.com will not edit testimonials in any way other than to correct spelling mistakes and blatant grammatical errors. FindNHContractors.com has the discretion to remove testimonials that include foul or vulgar language.

A copy of your testimonial(s) may be sent to the contractor you have reviewed. The contractor has the opportunity to post their rebuttal when receiving an unfavorable testimonial.

Homeowners should be careful to only post accurate statements about their experience with their contractors, as slander laws are designed to protect people/companies from testimonial misuse.

A homeowner can post only one testimonial per contractor per job, although homeowners can edit their testimonial upon further reflection. All changes will be subject to the same review process as new testimonials.
